

## **OAC USER GROUP**

### **Steering Group**

Meeting: 13.30 18 January 2007

The Old Meeting Room, Royal Statistical Society, Erroll Street,  
London EC1Y 8LX

### **AGENDA**

1. Introductions
2. OAC seminar: report and contact with prospective members of User Group
3. User Group: terms of reference
4. User Group: membership of the Statistics Users Forum
5. Steering Group: function, and roles for members
6. OAC: brief reports on current developments
7. User Group: activities for 2007
8. Communications and website
9. Publicity for OAC and the User Group
10. AOB and date for next steering group meeting

Items 2-9 are covered by the **introductory notes** document, and the aim of the agenda is to progress from a catch up with developments since the seminar on 2 November, to discussion of more formal aspects of getting the User Group running, before considering activities and promotion in 2007.

The old meeting room will be available from 13,00 for our use, and the aim will be to finish around 16.00
